

CHILDREN'S DAY CELEBRATIONS

PRE PRIMARY

The Children's Day celebration at our school on 14th November 2024 was a delightful event filled with joy and laughter. Students from Play House to Class II participated enthusiastically in the festivities.

The children looked vibrant and cheerful in their bright outfits. The school premises was transformed into a fun-filled zone with exciting rides, a jumping jack, and a trampoline. The little ones were taken outside to enjoy the activities, and their excitement was evident in their smiles and giggles.

Adding to the entertainment, Ms. Farheen dressed up as a joker, spreading joy and laughter among the children.

The students carried special tiffins packed with their favourite dishes. They shared their meals with each other, fostering a sense of camaraderie and togetherness.

The celebration was a memorable day for the children, filled with fun, food, and laughter. It was truly a fitting tribute to the spirit of childhood and a day to cherish for everyone involved.
