

LABOUR DAY CELEBRATION AT W.V.M.

"No human masterpiece has been created without great labour"

A special assembly was organized at the Welspun Memorial by the students of Grade XII to celebrate Labour Day on 1st and 6th May'24. The program began with an inspirational prayer by the choir. The thought for the day was presented very creatively, sending across a strong message. A dance related to the theme was appreciated by everyone. The students of Grade XII sang a melodious song for the helping hands of the school. Sir Bhavin Soni narrated a motivational story in his teacher's talk.

The songs sung by the helping hands and a dance performance by them added happiness and excitement to the celebration.

The young Welspunites and teaching staff paid due respect to the maintenance staff including the school peons, sweepers, maids, drivers & conductors and felicitated them with small gifts as a token of their love. The gifts included useful things as a token of appreciation and gratitude, which were bought from the small contribution of Rs. 30/- by each student and teacher. Principal Ma'am Kavita Tandon explained the importance of these 'helping hands' who make a difference in our life.

The day saw smiles and satisfaction on the faces of the maintenance staff.

A report from W.V.M.
