

TEACHER'S TRAINING

WVM in collaboration with Central Board of Secondary Education (CBSE) organized a comprehensive training program for teachers on the theme - Ethics and Integrity on 26th and 27th June'24. The aim was to equip educators with the knowledge, skills and values necessary to promote ethical practices in their professional lives and instill integrity in their students.

The main objective of this training was to help the educators to understand the importance of ethics and integrity in education and to identify and address ethical dilemmas in teaching practices. It also included how to develop strategies for promoting integrity among students and to foster a culture of ethical leadership in schools.

Overall the CBSE teacher training program on was a resounding success. Teachers demonstrated a renewed commitment to upholding ethical standards and promoting integrity in their students. The program reinforced the critical role, teachers play in shaping the next generation of leaders and citizens. By prioritizing ethics and integrity, we can create a more just and responsible society.

A fire and safety lecture demonstration was organized for the staff on 28th June'24 with the help of the Welspun Fire & Safety Department. This was done to teach the staff the use of the fire extinguisher and hydraulic system in case of an emergency. They were also given a talk on the various types of fires, evacuation procedure in case of fire and precautions to be taken in school and at home.
