

# YOUTH TALK

For Classes IX – XII

*Young Minds, Big Impact: From Us For Us*

On August 24th, 2024, the Welspun Memorial Auditorium was abuzz with anticipation as students from grades IX to XII participated in a Youth talk, mentored by Ma'am Sarika Saxena.

Channeling the ethos, "Ideas worth spreading," which lies at the heart of these talks, the students shared their insights and perspectives on a myriad of topics. While the format was a simulation, the passion and dedication were genuine, as was the audience's engagement.

The event aimed to provide students with a platform to hone their public speaking skills and express their ideas coherently. Their presentations, marked by confidence and clarity, were a testament to their preparation and understanding of the subjects they chose.

The event was not only a learning experience for the participants but also an inspiration for their peers, showcasing what young minds can achieve with guidance and dedication.
